You are reminded that completion of this form does not remove the requirement to disclose orally any interest at any specific meeting and to leave the meeting for that agenda item. The trust may only enter into transactions with related parties in accordance with ESFA requirements; as at 1 September 2017 any transactions above £2,500 must be on an 'at cost' basis. See the ESFA's Academies Financial Handbook for further details. A summary of this register must be published on the trust website.

I certify that I have declared all relevant business, pecuniary and personal interests and will update this declaration as and when changes occur.
