

## Primary PE and Sport Premium PLAN for 2015-16

## Corporation Road Primary School

The Primary PE and Sport Premium was launched by the government in April 2013 and is available for three years to July 2016. It is ring-fenced funding to be used by our school to improve the quality and breadth of our PE, sport and physical activity provision.

The national vision is for “all pupils leaving primary school [to be] physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport”.

In addition to the funding, our school has a strong commitment to high quality PE and sport, which was recognised externally by Tees Valley Sport in its recent case study to the Department for Education. For example we already have an extensive range of sporting extra-curricular activities organised and delivered by our own staff and other community partners. These include our award winning Energy Club for KS1 and snooker at our local club, owned by a school governor. We also value the motivation gained from attending high quality live sport as evidenced in our two day visit to Glasgow 2014. Our staff act as excellent role models, one manifestation of which is their participation in the Tees Valley Workplace Challenge. Also unrelated to the PE and Sport Premium, in 2014-15 we received funding from Sport England for a new outdoor multi-sport area on the school playground. This now adds to our formal and informal provision.

In financial year 2015-16 we will receive £8,500 Premium funding. The details below show how we will spend this and what impact it will have on our pupils. It must be noted that this plan is subject to change in order to take advantage of unforeseen opportunities which may arise. For example in 2014-15, initial plans did not include additional dance and volleyball coaching. Similarly we only began to access the excellent Darlington Table Tennis Academy facilities during the mid-year, therefore it is appropriate that the plan below will evolve accordingly.

<b>How the money will be spent</b>	<b>Amount</b>	<b>Which pupils particularly will benefit</b>	<b>The difference we will make to pupils</b>
<b>The impact on pupils' achievement in curriculum PE</b>			
External coaches from Martin Gray Academy	£4000	All Key Stage 2 pupils	All KS2 pupils and teachers will experience a wide range of games and sports in their PE lessons. Lessons will continue to be fun, active and competitive.
External Volleyball coach	£450	Years 5 and 6	Children will experience high quality volleyball coaching and games as part of the PE curriculum.
<b>The impact on pupils' participation in school sport (including competitive school sport)</b>			
Darlington School Sports Partnership Bronze Package	£1500	Year 1 to Year 6	All children will continue to experience external coaching and the opportunity to compete locally in various festivals and tournaments.
Darlington Table Tennis Academy. Facilitating weekly attendance on Whessoe Road.	£1000	Years 5 and 6	A group of pupils, most of whom would otherwise not be able to attend will receive specialist weekly coaching and participation in local tournaments.
Extra-curricular football and cricket coaching (Martin Gray Academy)	£1000	Years 5 and 6	Participation in local schools' league.
Additional Dance Teacher sessions	£125	Years 5 and 6	Children will perform confidently at the Darlington dance

			festival.
The impact on pupils engagement in healthy, active lifestyles			
“Twilight Fitness and Learning”. External project at Eastbourne Sport Complex with Martin Gray Academy	£4000	Year 5 (across two school years), with a focus on those children who traditionally do not participate in traditional team sports.	Children will continue to enjoy increased and varied sports and exercise participation alongside a classroom programme promoting sport through English and Maths activities.
Dolphin Centre Half Term Swimming Programme	£450	Year 4/5 children	Non-confident swimmers (and parents who cannot afford to pay for lessons) able to improve through week-long intensive programme.
Holiday sports coaching (Martin Gray)	£250	KS2 children	Children will enjoy holiday coaching and visits.
