Dear Parents & Carers,

February 2018

As we begin half term, I would like to take this opportunity to thank you for your continued support. As you will have seen from the very recent press release, your child attends one of the best school's in the country for progress and is ranked first in the town for progress in writing and maths.

This is a huge achievement for the school and all the staff involved in your child's education and we are all very proud. Corporation Road Community School is at the heart of this community, here to support the children and families, which surround it. We will all endeavor to continue to work hard to ensure we provide an education, which is clearly focused on 'every child all the time'.

Thank you to all those parents who completed the parental questionnaire at the recent parent evening. School has received some very positive feedback and we are currently in the process of evaluating your responses. I will send this out to you when it is completed.
