

Year 4  
Summer 2019

# MISTY MOUNTAIN SIERRA

## ENGLISH

As writers, class 11 will be writing from the book 'The Tear Thief' and 'The Lost Happy Endings'. Class 11 will be writing from 'Oliver Twist'

## MATHS

As mathematicians, the children will learn about fractions, statistics, time and geometry. The children will also continue to learn every times table fact up to  $12 \times 12$ .

## PE

The children will attend PE lessons with the Martin Gray coaches.

## SCIENCE

The scientists in Year 4 will continue to learn about electricity. They will learn about components which are used in circuits and they will create their own. Children will also learn about sound, including how sound travels through our ears and factors which effect pitch and volume.

## PSHE

The children will be looking at sun and water safety as well as how their bodies change and develop. They will learn about body image in the media and the dangers of smoking and drugs including medicines.

## ART

As artists, we will develop our skills with charcoal and use a range of materials to create a mountain scene.

## COMPUTING

We will be creating posters about some of the most famous mountains in the world.

## MUSIC

We will compose pieces using different instruments to create the sounds of mountains ranges. We will also continue to sing our hearts out in assemblies.

## GEOGRAPHY

We will be using maps to locate some of the most well-known mountain ranges in the world. The children will learn how to use contour maps to show how steep a mountain is.

We will also explore the environment and plant life at different altitudes and conditions.

## DESIGN & TECHNOLOGY

As designers, we will we will create 3D models of mountain regions using a range of materials.

## RE

We will explore the question: We will also learn about Christian symbols in churches and the beliefs in Sikhism. Children will find out about why Sikhs believe their gods are important.
