

Year 1 and Year 2
Spring 2019

ENGLISH

As writers, Year 1 will be using space themed stories to inspire their writing. Year 2 will be focussing on writing from different perspectives using various stories as stimuli.

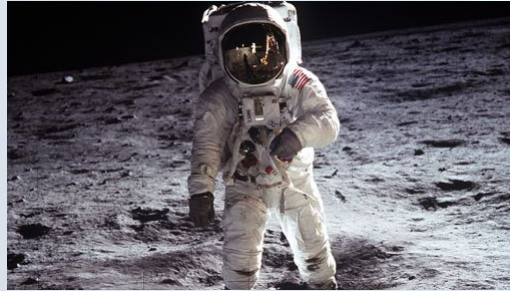

SCIENCE

The scientists in Year 1 will be exploring light and dark whilst Year 2 will be focussing on living things and experiencing first-hand the life cycle of an animal.

HISTORY

As historians, we will learn facts about different space voyages. We will learn about the significance of key individuals and their impact upon space travel. We will also be looking at what it takes to become an astronaut.

TO INFINITY AND BEYOND!

MATHS

We will build on our fabulous maths work in the autumn term focussing on place value, number, adding and subtracting as well as fractions.

PE

The children will work with the Martin Gray Academy coaches each week. In Year 1 the children will be developing their basic skills. Year 2 will be learning how to attack and defend through football-based activities.

PSHE

The children in Year 1 will be working on healthy lifestyles. This will include dental hygiene. They will also be thinking about their feelings and behaviour, secrets and surprises. Children in Year 2 will be thinking about their families and friends as well as using stories to discuss similarities and differences.

ART

As artists, we will be studying the well-known 'Starry Night' painting. We will create a collage display using different techniques to represent the different aspects of the painting.

COMPUTING

We will also be participating in Safer Internet Day 2019 on 5th February.
We will also begin to develop our word processing and presenting skills.

GEOGRAPHY

We will be thinking about Earth and learning more about the country we live in as well as hot and cold climates around the globe.

DESIGN & TECHNOLOGY

As designers we will look to improve our skills of planning, building and evaluating. We will be designing and making rockets to help to transport some very special visitors back to outer space.

MUSIC

We will be attending our weekly singing assemblies.
We will also be thinking about space themed sounds.

RE

Year 1: Why is Jesus special to Christians?
Year 1: What is the Easter story?
Year 2: Why is the bible special to Christians?
Year 2: How do Christians celebrate Easter?
