

Year 5
Summer 2019

ENGLISH

As writers, we will... be reading and exploring the book Viking Boy by Tony Bradman. We will be learning how to write from different characters' perspectives.

SCIENCE

The scientists in Year 5 will be... learning all about Living things in their habitats. This will include learning about the life cycles of plants and the way they reproduce.

HISTORY

As historians, we will research the Northern Saints and understanding the legacy that they have left behind.

ALLOTMENT

MATHS

We will be continuing to learn how to add, subtract and multiply fractions. We will then begin to investigate fractions and percentages of amounts.

PE

The children will be going swimming on a Thursday afternoon with Mr Brack.

PSHE

The children will be working on ... how to keep safe when accessing the internet and gaming online. Also, learning about keeping safe near rivers, around fire and understanding the importance of knowing first aid.

ART

As artists, we will ...be creating observational sketches of plants, fruits and vegetables using the artist Georgia O'Keefe as a model.

COMPUTING

We will be using iPads and the computer suite to support our learning this half term researching the different types of farming that take place in England.

GEOGRAPHY

We will be looking at ... allotments. This will include learning about different types of farming and creating sketch maps of allotments.

DESIGN & TECHNOLOGY

As designers we will look... to research and create our own hedgerow flapjacks using traditional British ingredients grown on allotments.

MUSIC

We will continue to sing our hearts out in assemblies.

RE

Who were the Northern Saints?
What are illuminated letters?
