

Class 10 Maths

Facts

You need to practise your timetables and other number facts regularly, as we do in school.

You can use Times Table Rock Star like we do in school. The link is -

Arithmetic

We have learnt written methods for addition, subtraction, multiplication and division in school. This week, you will practise the vertical written method for addition. You will see an example below and twenty questions for you to answer using the vertical method.

Use the vertical addition method to answer the following questions

Here is an example to remind you:

$$1367 + 1492 = 2859$$

	1	3	6	7	
+	1	4	9	2	
				9	
	1	5	0		
		7	0		
	2	0	0		
	2	8	5	9
