Class 8 Maths

Facts

You need to practise your timetables and other number facts regularly, as we do in school. You can use Times Table Rock Star like we do in school. The link is

- https://play.ttrockstars.com/auth

You can also use Numbots which uses the same login as Times Table Rock Star

- https://play.numbots.com/#/account/search-school

<u>Arithmetic</u>

We have learnt written methods for addition, subtraction, multiplication and division in school. This week, you will practise division using a number line. Remember some questions might have a remainder. There will be 15 questions that you will need to answer. SHOW your working out. Make sure you use a ruler when drawing your number line also do not forget that your number line should start at 0. Below are some examples to remind you of the method.

U	6e			M	nhe	c	lin	10	to	-	wo	rk	out	t	he	A	The	wi	ng
