Maths

This week your maths focus is subtraction.

Method 1:	Method 2:
7 - 2 =	5 - _ = 2
We put the big number in our head. We will put 7 in our head. We are taking 2 so we need that many fingers. We tap our heads as we say 7 and then put one finger down as we say 6, 5.	We can either do the same as Method 1 but put 5 in our heads and count back 2. Or we can count on. We start at 2 and then count on. We will stop at 5. We say 2 as we tap our heads and then put up one finger as we say 3, 4, 5.
7 - 2 = 5	We have 3 fingers so 5 – 3 = 2.
