

Year 2 Writing

This week I would like you to write about your favourite day (so far) since you've been off school. You are going to write a recount, this is written in the past tense, because it has already happened.

The events of the day go in order along this line. It helps us to write our sentences in order.

This is the introduction. You might make notes about who you are and why you are off school.

This is the ending. You might make notes about why this was your favourite day so far.
