

Year 2 Weekly Challenge

Cleveland Bridge (a local company) are looking for ways to inspire the next generation of bridge builders so they want to see how creative you can be!

Can you draw or make a picture of a bridge or even build a model bridge at home?

You might want to research local bridges or even famous bridges around the world to help you get started.

If you manage, take a picture of your **finished picture or finished model** and send it to our class email CPSClass7@corporationroad.darlington.sch.uk

We will send them to Cleveland Bridge.

Good Luck!
