

Class 10 Maths

Facts

You need to practise your timetables and other number facts regularly, as we do in school.

You can use Times Table Rock Star like we do in school. The link is -

<https://play.ttrockstars.com/auth>

You can also use Numbots which uses the same login as Times Table Rock Star -

<https://play.numbots.com/#/account/search-school>

Maths

This week, we are going to find fractions of amounts. I am going to send you a video every morning from Monday to Friday to help you.

Monday:

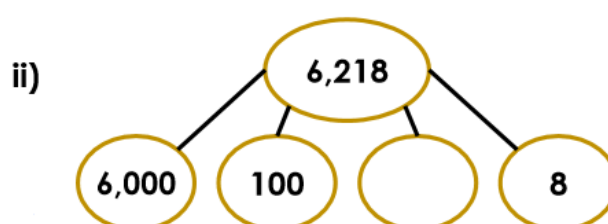

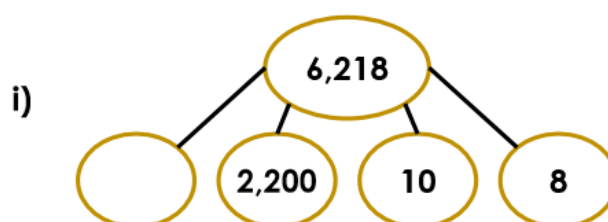

Play games on Times Table Rockstar for 30 minutes. I would also like you to complete a Soundcheck so I can see how you are getting on.

Tuesday:

What are the missing values?

What are the missing values?

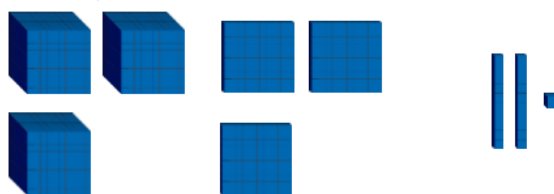

Wednesday

True or false? The Base 10 shows the number 4,273.

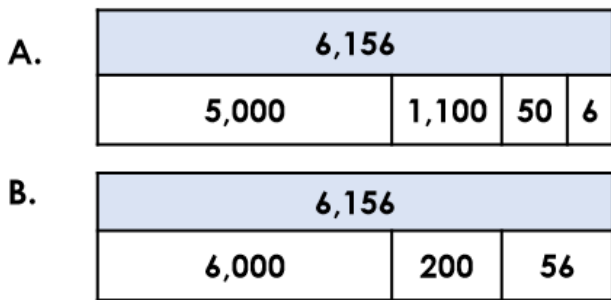

True or false? The Base 10 shows the number 3,321.

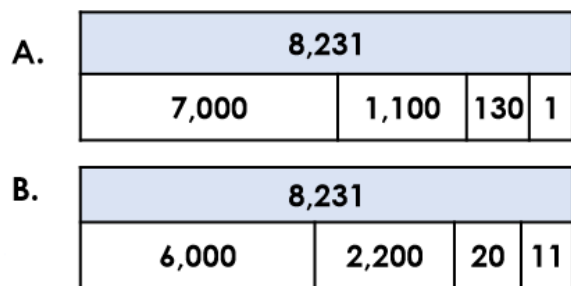

Thursday:

Which bar model shows 6,156 correctly partitioned?

Which bar model shows 8,231 correctly partitioned?

Friday:

Bettie and Jordan are describing different 4-digit numbers.

This number has 3 thousands and 15 tens.

Bettie

This number has 35 hundreds and 5 ones.

Jordan

Who is describing 3,505?

Tallulah and Anton are describing different 4-digit numbers.

Tallulah

This number has 59 hundreds and 85 ones.

This number has 595 tens and 5 ones.

Anton

Who is describing 5,985?
