

## Class 8 Maths

### Facts

You need to practise your timetables and other number facts regularly, as we do in school.

You can use Times Table Rock Star like we do in school. The link is

- <https://play.ttrockstars.com/auth>

You can also use Numbots which uses the same login as Times Table Rock Star

- <https://play.numbots.com/#/account/search-school>

### Arithmetic

This week there are varied fluency questions around comparing numbers and objects. Remember there could be 'more than' 'less than' or 'equal'. You would use the following symbols to compare  $<$   $>$   $=$

Some of the questions use images where you have to count and work out the number before comparing. The following pictures you show the number that they represent.

This is 100.

This is 10.

This is 1.

All together this number will show 111.
