

Phonics

This week your phonics focus is the spelling **o**. It can represent different sounds:

/oe/ like in most

/o/ like in lost

Draw this into your books:

o o

We're going to sort some words. We've done this lots of times before. Read the words and listen carefully. See if you can sort the words by the sound that the **o** spells.

e.g.

o o
most lost
