

Maths

Place Value
Addition
Subtraction
Statistics – tables, line graphs, timetables
Number knowledge – factors, multiples, primes, squares

MFL

In Latin, the children will build on what they learnt last year and write full sentences.

English

Writing

Narrative / recount / Non-chronological reports / Newspaper

Reading

Words in context/retrieve/summarise/infer/predict

History

In history, the children will learn about the Anglo-Saxons and Vikings. They will find out who they were and why they came and settled to England. The children will also learn about Alfred the Great.

Visit/Visitors

Captain Chemistry – forces workshop (science)

Music Workshop – London Mozart Players

Geography

In conjunction with our topic, the children will learn about where the homelands of the Anglo-Saxons and Vikings were and the location in England where they settled.

R.E

What do Christians believe about God?

This unit is designed to help pupils understand what Christians believe about the nature and characteristics of God. They will also investigate what Christians believe about God and their views on how the world was created.

Year 5 Spring Term Topic/theme: Anglo-Saxons and Vikings

Computing

- In Autumn 1, the children will learn how to work on share documents and learn about how work is shared in the workplace.
- In Autumn 2, the children will learn about vector drawing and how to create them using shapes and layering.

Science

Forces

Children will explore gravity, air resistance, friction and up thrust by carrying out a variety of investigations. Children will identify variables and ensure they are carrying out a fair test.

DT

Children will apply their understanding of how pulleys and gears to make a moving electric car.

Music

The children will learn about the rock music genre and learn to sing 'Livin' on a Prayer'.

PE

Swimming and sports hall competition.

Art

Improve mastery of art techniques

The children will research famous sculptures Andy Goldsworthy and James Brunt. They will then use them for their inspiration as we go to North Lodge Park to create our own outdoor art.

Careers

The children will plan and run the Christmas fair this year as part of our careers lessons.

PSHE:

The children will learn all about discrimination, prejudice and stereotyping. They will learn why this is wrong and how we can work to overcome it.
