

## Corporation Road Community Primary School

### Approach to School Assemblies – Autumn Term 2022/23

Each week, there will be 4 formal assemblies, plus one class assembly.

Each Monday will be a virtue based assembly which will teach children about the school virtue for that half term. Other virtues will be discussed throughout the term but that will be that virtue's launch. Tuesday's will be chance for teachers to talk about any issues which are specific to their class. Wednesday's will be based on a religious story with a moral or a major festival or event. Thursdays will be a celebration of a subject that children learn in school. It may be about how that subject fits into their daily lives, a sharing of work of the subject or a celebration of a recent event such as a religious festival or charity event. . Fridays will be a celebration assembly where we celebrate the children's achievements of the week.

Across the Summer Term, we have planned the following themes which are linked to both our SMSC, FBV and PSHE priorities. Importantly, assemblies are only one aspect of the school's work to address these key aspects of our curriculum.

<b>Assembly Rota: Autumn Term</b>					
<b>Time: 9.05am till 9.20am or 1.05pm-1.20pm</b>
