Corporation Road Community Primary School

Uniform Policy

Our uniform policy reflects our values and reinforces our school's culture of high expectations and academic achievement. All pupils must dress in accordance with our uniform policy. Our school uniform is important to us for a number of reasons. It is one way we identify ourselves as a school community and it promotes a strong, cohesive school identity which supports high standards and expectations in all areas of school life. It promotes harmony between different groups represented in the school and it enhances security.

Smartness and high standards of appearance are expected at all times. We have a required school uniform for several reasons:

- Uniforms unite the school. Pupils make a commitment that when they put on a Corporation Road Community Primary School uniform they will abide by the school code of conduct.
- Uniforms reduce distractions. We are focused on achieving success. When pupils are allowed to wear their own clothing, there is the potential to talk about fashions and styles which can detract from the learning.
- Uniforms make us equal. Whether families have high or low incomes, the pupils come to school all looking the same way. No one has to feel guilty about the clothes they have or don't have.
- Uniforms look professional. Pupils look neat and ready to learn.

We ask parents and carers to support all decisions by school staff regarding whether or not clothing is appropriate or inappropriate for school. **It is the Headteacher/Deputy Headteacher's right to deem whether the school uniform, hair cut etc. is inappropriate.**

Non-compliance with the Uniform Policy

- Parents and carers will be contacted about their child not being in uniform unless a valid reason has been provided.
- If a child is consistently not in uniform, parents may be asked to attend a meeting with a member of the senior leadership team so that a solution can be found.

Racial Equality & Equal Opportunities

All children have equal access to wearing school uniform regardless of their culture, race religion, gender, disability or ability. We ensure that the set uniform respects other policies such as equality, race relations, sex discrimination and allows for individual sets of circumstances of all groups and individuals. Corporation Road Community Primary School is committed to creating a positive climate that will enable everyone to work free from racial intimidation and harassment and to achieve their full potential.
