

Maths

The children will be learning all about:

- prime numbers
- fractions
- written methods of multiplication and division
- multiplying and dividing by 10, 100 and 1,000

MFL

In Spanish, the children will be learning phonics, core vocabulary as well as the names of vegetables.

English

Writing

Recounts/biographies/narratives/persuasive writing

Reading

- Words in context
- Retrieval
- Summarise
- Concluding
- Inference

History

In history, the children will learn about the Tudors. They will learn about the famous monarch Henry VIII and his six wives. They will find out how and why he created the Church of England and what London was like during the Plague.

Visit/Visitors

Bowes Museum – Tudor Workshop
Visit to Darlington College – Careers talk

Geography

In conjunction with our topic, the children will learn about the areas of the world that the Tudor sailors, Sir Francis Drake and Sir Walter Raleigh, explored and we will compare maps from today to maps used during the Tudor era.

Year 5 Spring Term Topic/theme: The Tudors

R.E

This term in R.E, Y5 will be focusing our learning on what Jesus would do and if people can still live by his values in the 21st Century.

DT

In D.T, the children will learn how CAMS work and create their own Tudor scene with moving parts.

PE

Swimming and netball.

Computing

The children will learn how to record a video and then edit it using software on the school laptops. After half term, the children will learn about flat-file databases and how to create one.

Science

Forces

Children will complete their learning on forces and plan and complete experiments testing the forces of air resistance and water resistance. After half term, they will be learning about the planets and the solar system.

Art

Improve mastery of art techniques

In art, the children will learn about the life and work of Vincent van Gogh. They will then practise a variety of different brush strokes in order to replicate some of his most famous pieces.

Music

The children will learn how to play the ukulele from a teacher from the Durham Music Service.

PSHE:

In PSHE, the children will focus their learning on what makes a community. After half term, they will learn about how and why we make healthy choices.

Careers

As part of the curriculum, Y5 are planning a visit to Darlington College to think about life and careers after school. We are also aiming to have a visit from a local businessman from LUCID technology to discuss what is involved in running a business.
